TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be executed within 24 hours after death. Page 6 may be retained by the hospital or attending physician.

TO THE FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the funeral director, page 5 should be detached for use as the burial-transit permit. 1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) and (2) under the conditions (3) and (4). It is shown that the system has a solution if and only if the conditions (5) and (6) are satisfied. The proof of this theorem is given in the next section.

2. In the second part of the paper, the problem of the uniqueness of the solution of the system (1) and (2) is considered. It is shown that the system has a unique solution if the conditions (7) and (8) are satisfied. The proof of this theorem is given in the next section.

3. In the third part of the paper, the problem of the stability of the solution of the system (1) and (2) is considered. It is shown that the system has a stable solution if the conditions (9) and (10) are satisfied. The proof of this theorem is given in the next section.

4. In the fourth part of the paper, the problem of the asymptotic stability of the solution of the system (1) and (2) is considered. It is shown that the system has an asymptotically stable solution if the conditions (11) and (12) are satisfied. The proof of this theorem is given in the next section.

5. In the fifth part of the paper, the problem of the boundedness of the solution of the system (1) and (2) is considered. It is shown that the system has a bounded solution if the conditions (13) and (14) are satisfied. The proof of this theorem is given in the next section.
